Headteacher's Newsletter Thursday 24 June 2021

Dear Families

It's the last day of term and there is much excitement in school from both staff and pupils! That said, it is with mixed emotions that I approach the last day of each term and I know that to be true for many staff and pupils too. I hope you enjoyed our virtual Prize Giving and can I once again take the opportunity to say thank you to Otto Sanderson and David and Eden Barrie for their technical know how and support in making this event happen. It was a lovey reflection on our year.

I'd like to take this opportunity to let you know that Mr Andrew McAdam, our PT Maths, will be taking up a 4-month secondment at Perth High School as of August 2021. During this time, Mr John Wrightson will lead the Maths department and Mrs Irina Lisovyy will join us as a Maths teacher. We wish Mr McAdam well in this new post and look forward to hearing how he is getting on.

It has been 16 months of unforeseen challenges and we have worked through them together to find the best solutions for our young people, thank you.

As promised, I will be in touch with you towards the end of the summer holidays to finalise arrangements for our return to school. I think that we will maintain the status quo on our return for at least the first week and review after that.

Have a lovely holiday and fingers crossed that the sun shines.

Take care
