Headteacher's newsletter Friday 20 August 2021

Dear Families

It has been lovely to welcome staff and young people back to school this week and I would like to extend a warm welcome to all our new families. Although we still have significant mitigations in place, there is a comforting normality in our day-to-day lives at school. We have had a super week, full of new experiences and learning opportunities. I am sure that there will be many tired staff and pupils this weekend!

I have attached separate letters for Primary and Secondary parents with up-dates about the changes to self-isolation and current mitigations in place for safety. Information about Nursery has gone out on Seesaw and email with the parents. Please take time to read this information and get in contact with the school if you have any questions.

I am not intending to send out a newsletter each week this term but will make sure that we are in regular contact.

Have a lovely weekend.

Kind regards

Elaine Liney
