Headteacher Newsletter Friday 4 September 2020

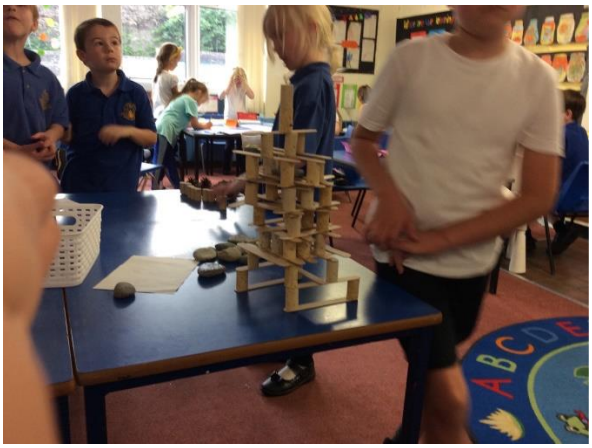
Dear families,

We are now half way through Term 1 and all getting used to our new routines. Everything takes a little bit longer, but it is time well spent as safety is the priority. As you know, there was a change for a us all at the start of this week with the recommendation of face coverings on school transport and in school for older pupils. Thank you for supporting our young people by providing them with face coverings and reminding them to bring them to school. Please don't worry if your child forgets one day, as we do have a small stock of disposable masks available for moments like that.

The weather has been kind to us this week and the pupils have enjoyed having PE as well as playing and chatting outside at break and lunchtime. We did need our waterproofs at some points, so please remember to send your child to school with clothing for every eventuality.

There is such a range of learning opportunities taking place throughout the school: Nursery have been learning about trying new foods, as well as learning to risk assess activities as they further explore their outdoor environment. In Primary, P3 have been doing some excellent learning through loose parts play using team work, imagination and problem-solving skills and in Secondary, they have been electing their new House Captains to be part of the Senior Pupil Leadership Team. S2 are developing their sewing skills making eco face masks, recycling lovely materials donated by members of staff.

Have a lovely weekend.

Kind regards


Elaine Liney
