P.E. NEWS

Courmayeur 2021

The school ski trip was due to take place this week to Italy. Although it is sad not to have had this opportunity, hopefully there will be opportunities for all in the future, be it at Pitlochry or Breadalbane or beyond – I didn't learn to ski until Uni and since then I have been involved in 14 trips to Europe and America! Get Set Tokyo

WHAT is the Travel to Tokyo Challenge?

It is a challenge to inspire everyone in your family to be ACTIVE and have FUN. Pitlochry HS will travel VIRTUALLY as a team to Tokyo, exploring different cities around the world as we go.

HOW do I get involved?

It's really simple – after your PE lesson and any other activities you do with your family, simply click on the link below to log your activity. All activities logged are then converted into a distance for pupils to track on Pitlochry's personal dashboard.
