Primary P.E. news

- This week upper primary have been creating their own dance moves to the nautical ‘Weller man’ song with the help of Scotty. There have been some superb videos posted which have been used to create a unique Pitlochry school edition of the sea shanty song. The video will be used to teach dance motifs to the lower primary on our return to school.

P7 were asked to ‘say, make, write, do’ their choice of 4 dance moves to the music.
Grace, p7 made a very detailed poster to accompany her action video. Her dance routine along with George and Isla E were chosen to create the school dance video. Well done to everyone who contributed!
