Newsletter

Primary 7MC Termly plan. August – October 2026

Topic

Our topic is science and technology based. We will be learning about Scottish inventors and inventions. We will also be learning about bridges.

Please send in any books that we can use in class for our research.

Literacy

Pupils will learn how to search for information and make notes which will later be recreated to share with a wider audience.

There will be a focus on handwriting and presentation of texts.

Every pupil will have the opportunity to read for pleasure every day and borrow books from our school library. They will be encouraged to read works from authors they may not have tried before to broaden their reading experiences.

Numeracy

Pupils will revise rounding numbers and understand why this is an important life skill.

They will be encouraged to 'work to time' and get a 'feel' of how long tasks take them.

We will be working with 2D and 3D shapes as well as leaning about angles, compass points and reading maps.

Health and Wellbeing

We will be learning about peer pressure, influences and making the best choices.

Friendships will be explored and how the importance of being friendly and kind towards others.

RME

Pupils will learn about the teaching and values of Jesus.

Homework

Pupils will have a week to complete three pieces of homework: maths, spelling and comprehension.

Notes

Bring a jacket to school, a change of shoes for outdoors, a water bottle and something to eat for our two breaktimes.

Weekly Planner

Monday: Music

Tuesday: PE. Art. Library.

Wednesday: Swimming

Thursday: Gaelic

Friday: Assembly

Important dates

Swimming. 10 weeks every Wednesday afternoon. 8 weeks this term then two weeks next term.

Pupils will need a towel, trunks/ swimming costume and a snack for after.

Check Mrs Lineys' weekly newsletter for up to date information.
