The Chat & Speakeasy - Webinar for Parents & Carers - come along and learn more about speaking to children & young people about growing up, relationships and sexual health

Date and Time: Thursday 24th September 6.30pm – 7.30pm OR Thursday 1st October 12noon-1pm

Linzi McKerrecher from the Sexual Health & BBV MCN team will be hosting a webinar for parents and carers of children of any age and staff supporting parents or carers. We have 2 dates available - both are the same webinar/content, just on different days/times to try to be as accessible for everyone.

Learning Outcomes

• Gain knowledge of The Chat resource and how it can be used at home
• Gain knowledge of the NHS Tayside Speakeasy programme, including accompanying resources, and how this can support conversations around growing up, relationships & sexual health with children and young people

Please click **HERE** to register for a space on either of the webinars. You can join from any device (phone laptop or tablet) and don't need to use your microphone (you can have your camera on where possible as it's nice to see people's faces) 🙂
